

Class	Day	Start	End	Grade	Teacher(s)	Location	Dismissal Door	Description (taken from previous year)
Outdoor adventure	Monday	1/6	2/17	K, 1	Chanel Thomas	Room 125	Door 6 (Main entrance)	The scholars will enjoy winter outdoors with activities, sledding and having fun
Games are fun	Monday	2/24	3/17	K, 1	Chanel Thomas	Room 125	Door 6 (Main entrance)	The scholars would have fun playing board games and card games with friends.
Crazy 8s, fun with Math	Monday	1/6	3/17	2, 3	Cecilia Sayago	ssroom, ideally or	Waukesha side breezeway	Recreational math club with unique, high-energy hands on activities. Each session reviews a math concept and includes a fun game or activity for kids to work on. The kit for this class includes materials for 8 weeks of activities but during the Winter session I would only be available for 7 weeks.
Legos and Building Materials	Tuesday	1/7	6/3	2, 3, 4, 5	Christie Ashmore & Sharon Jimenez	Room 119	Door 6 (Main entrance)	Lego, Marble Run, Lincoln Logs and Building Activities!
Engineering for Kids 1	Tuesday	1/7	2/11	2, 3, 4, 5	Erin Miller-Bishoff	Room 125	Door 5 (Segoe side breezeway)	Come explore, problem solve, build, and create with Mrs. M as we work on our engineering skills.
Engineering for Kids 2	Tuesday	2/18	3/18	K, 1, 2	Erin Miller-Bishoff	Room 125	Door 5 (Segoe side breezeway)	Come explore, problem solve, build, and create with Mrs. M while we practice our engineering skills!
Ms. McGuire's Wonder Lab 1	Tuesday	1/7	2/11	K, 1	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire as we watch a clip from an episode of Emily's Wonder Lab. We will learn the science behind Emily's experiment and then create that experiment on our own! Caution--it could get messy!
Intro to French	Tuesday	2/18	3/18	K, 1, 2	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire as well learn some basics of the French language. We will learn simple phrases and songs to help us grow our French vocabulary. All classes will have new content and some review from previous classes (or even more new content for our newcomers). No prior French experience is required!
Mosaic Magic	Tuesday	1/7	2/11	3, 4, 5	Elyse Ford	Room 109	Door 5 (Segoe side breezeway)	Learn how to create mosaic art pieces that can be used to decorate your home. You will learn how from start to finish how to design and build a mosaic art piece. We will start small with a coaster and then move on to one larger project.
Rocks, Rocks and More Rocks	Tuesday	2/18	3/18	K, 1, 2	Elyse Ford	Room 109	Door 4 (Near playground)	This is an intro to Geology class for K through 2nd. They will learn about the 3 types of rocks, how rocks form and the natural movement of the earth that helps form rocks. We will do a different exploration of the types of rocks each week and keep a geologist journal.
Young Authors Club	Tuesday	1/7	3/18	K, 1, 2, 3, 4, 5	Jennifer Follett and Erica Koval	LMC	Door 6 (Main entrance)	Do you love making your own books? Do you like sharing your work and celebrating authors? Then come join Young Authors club where you can make connections with second through fourth grade writers. Learn about different types of writing and craft and share your ideas with the world.
Yearbook	Wednesday	1/8	3/19	5	Elyse Ford & Chanel Thomas	LMC	Door 6 (Main entrance)	Help create our yearbook.
Scratch	Wednesday	2/6	4/30	4, 5	Katie Mahr	Room 115	Door 5 (Segoe side breezeway)	UW Students teach this engaging coding class.
Reading & Tea	Wednesday	1/8	3/19	4, 5	Sharon Jimenez	Room 119	Door 6 (Main entrance)	Enjoy some tea and read some books in a quiet environment.
Story and Craft Hour 1	Wednesday	1/8	2/12	K, 1	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire and hear a high-quality picture book read aloud. We will discuss the book and then make an adorable craft based on the story. Each week your child will come home with a new project to show off their crafting skills!
Story and Craft Hour 2	Wednesday	2/19	3/19	K, 1	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire and hear a high-quality picture book read aloud. We will discuss the book and then make an adorable craft based on the story. Each week your child will come home with a new project to show off their crafting skills!
Intro to Theatre	Thursday	1/9	3/20	3, 4, 5th	Elyse Ford	Room 109	Door 4 (Near playground)	Learn about the introductions to theatre! Write your script with a group of friends and perform in front of families and friends. Create your own props and settings and design your own costumes. Let the theatre come to life! The performance will be on March 20th the last 45 minutes after school class.
Intro to French	Thursday	1/9	2/13	K, 1, 2	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire as well learn some basics of the French language. We will learn simple phrases and songs to help us grow our French vocabulary. All classes will have new content and some review from previous classes (or even more new content for our newcomers). No prior French experience is required!
Ms. McGuire's Wonder Lab 2	Thursday	2/20	3/20	K, 1	Donna McGuire	Room 104	Door 4 (Near playground)	Join Ms. McGuire as we watch a clip from an episode of Emily's Wonder Lab. We will learn the science behind Emily's experiment and then create that experiment on our own! Caution--it could get messy! (These experiments are all new and not a repeat from our previous Wonder Lab class!)
Tech Time	Thursday	1/9	6/6	2, 3, 4, 5	Christie Ashmore & Sharon Jimenez	LMC	Door 6 (Main entrance)	A computer club where students may explore a variety of computer based activities
